

# t.A.T.u - Imperfect Girl

Tom: E

(A B Dbm )  
 I don't have a perfect smile  
 maybe I'm just too shy  
 I'm not a beauty queen  
 on covers of magazines  
 that's something you can't deny  
 I got my own style  
**Dbm** **Abm**  
 So what you see is what you get  
**A** **B**  
 A girl of no regrets  
  
**E** **B** **A**  
 I'm not ideal - I'm quite absurd  
**B** **E**  
 I'm just an imperfect girl  
**E** **B** **A**  
 I rise above this perfect world  
**B** **Dbm**  
 I'm just an imperfect, imperfect girl

(A B Dbm )  
 I wouldn't be classed as cool  
 I have to bend the rules  
 Maybe I don't fit in  
 I didn't always win  
 that's something you can't deny  
 I'm happy with my own style

**Dbm** **Abm**  
 So what you see is what you get  
**A** **B**  
 A girl of no regrets

**E** **B** **A**  
 I'm not ideal - I'm quite absurd

**B** **E**  
 I'm just an imperfect girl

**E** **B** **A**  
 I rise above this perfect world

**B** **Dbm**  
 I'm just an imperfect, imperfect girl
