Starting from here, let's make a promise  
You and me, let's just be honest  
We're gonna run, nothing can stop us  
Even the night, that falls all around us

**A** **Ab**  
Soon there will be, laughter and voices  
**Dbm** **E**  
Beyond the clouds, over the mountains  
**A** **Ab**  
We'll run away, on roads that are empty  
**Dbm** **E**  
Lights from the airfield, shining upon you!

**A**  
Nothing can stop this  
**Ab**  
Not, now I love you  
**Dbm**  
They're not gonna get us  
**E**  
They're not gonna get us  
**A**  
Nothing can stop this  
**Ab**  
Not, now I love you  
**Dbm**  
They're not gonna get us  
**E**  
They're not gonna get us

**A** **Ab**

We'll run away, keep everything simple  
**Dbm** **E**  
Night will come down, our guardian angel  
**A** **Ab**  
We rush ahead, the crossroads are empty  
**Dbm** **E**  
Our spirits rise, they're not gonna get us  
**A** **Ab**  
My love for you, always forever  
**Dbm** **E**  
Just you and me, all else is nothing  
**A** **Ab**  
Not going back, not going back there  
**Dbm** **E**  
They don't understand, they don't understand us!

No piano: **A - Ab - Dbm - E**
