 I will forget my dreams  
 Am (single strum) F (single strum)  
 Nothing is what it seems

Am F  
 I will affect you  
 C G  
 I will protect you  
 Am F C G  
 From all of the crazy schemes

Am F  
 You traded in your wings  
 Am F  
 For everything freedom brings  
 Am F  
 You never left me  
 C G  
 You never let me  
 Am F C  
 See what this feeling means

(refrão)  
 G D2 Am  
 Everything that you feel  
 G D2 Am

Is everything that I feel  
 G D2 Am  
 So when we dream  
 G D2 Am  
 We shout

(verse 2)  
 Am F  
 You say it's so complex  
 Am F  
 Passion can pass for less  
 Am F  
 We never bothered  
 C G  
 Telling each other  
 Am F C G  
 What we were bound to guess

Am F  
 Will anybody care?  
 Am F  
 We could go anywhere  
 Am F  
 Going through danger  
 C G  
 Talking to strangers  
 Am F C G  
 Will there be someone there?
