

Taylor Swift - 22

```
Intro: C
         G F G
It feels like a perfect night, to dress up like hipsters
And make fun of our exes, ah ah, ah ah
It feels like a perfect night, for breakfast at midnight
                      G
To fall in love with strangers, ah ah, ah ah
Yeaaaah
We're happy, free, confused and lonely at the same time
It's miserable and magical, oh yeah
Tonight's the night when we forget about the deadlines
It's time, ah ah
I don't know about you, but I'm feeling twenty-two
Everything will be alright if, you keep me next to you
You don't know about me, but I bet you want to
Everything will be alright if, we just keep dancing like
 G F F Am G
Twenty-two, twenty-two
It seems like one of those nights
This place is too crowded
        G
Too many cool kids, ah ah, ah ah
It seems like one of those nights
We ditch the whole scene
           G
And end up dreaming instead of sleeping
Yeaaaah
We're happy, free, confused and lonely in the best way
                   G
It's miserable and magical, oh yeah
Tonight's the night when we forget about the heartbreaks
It's time, ah ah
