

# Taylor Swift - Afterglow

tom:

C

I blew things out of proportion, now you're blue  
 Put you in jail for something you didn't do  
 I pinned your hands behind your back, oh  
 Thought I had reason to attack, but no  
 Fighting with a true love is boxing with no gloves  
 Chemistry 'til it blows up, 'til there's no us  
 Why'd I have to break what I love so much?  
 It's on your face, and I'm to blame, I need to say  
 Hey, it's all me, in my head  
 I'm the one who burned us down  
 But it's not what I meant  
 Sorry that I hurt you  
 I don't wanna do, I don't wanna do this to you (Ooh)  
 I don't wanna lose, I don't wanna lose this with you (Ooh)  
 I need to say, hey, it's all me, just don't go  
 Meet me in the afterglow  
 G D Am C G D C C  
 Our secret moments in a crowded room  
 They got no idea about me and you  
 There is an indentation in the shape of you  
 Made your mark on me, a golden tattoo  
 All of this silence and patience, pining and anticipation  
 My hands are shaking from holding back from you (ha, ah, ah)  
 All of this silence and patience, turning and desperately waiting  
 My hands are shaking from all this, ah, ha, ha, ha-ah  
 Say my name and everything just stops  
 I don't want you like a bestfriend  
 Only bought this dress so you could take it off, take it off  
 (Ha, ha, ha-ah)  
 Carve your name into my bedpost  
 'Cause I don't want you like a bestfriend  
 Only bought this dress so you could take it off  
 Take it off (ha, ha, ha-ah)  
 Ha-ah, ha-ah, ha-ah-ha-ah  
 Only bought this dress so you could take it off  
 Em Dm

Ha-ah, ha-ah, ha-ah-ha-ah

Tell me that you're still mine  
 Tell me that we'll be just fine  
 Even when I lose my mind, I need to say  
 Tell me that it's not my fault  
 Tell me that I'm all you want  
 Even when I break your heart  
 Cadd9 Em7  
 Flashback when you met me, your buzzcut and my hair bleached  
 Even in my worst times, you could see the best in me  
 Flashback to my mistakes, my rebounds, my earthquakes  
 Even in my worst lies, you saw the truth in me  
 Cadd9 Em7  
 And I woke up just in time, now I wake up by your side  
 My one and only, my lifeline  
 Cadd9 Em7  
 I woke up just in time, now I wake up by your side  
 My hands are shaking, can't explain this  
 Ha, ha, ha, ha  
 Em Dm

 Take it off (ha, ha, ha-ah)
