

# Taylor Swift - All Night Dinner

Tom: G

G Em7  
I wake up, stretch out

C D  
I wonder what you're doing right now

G Em7  
Yeah I slept in my makeup again

C D  
Tell myself I must be crazy thinking about him

G Em7  
I find myself something decent to wear

C D  
Take the towel out of my hair

G Em7  
About that time you call me

C D  
I'm reminded without you I'd be

G D  
A stranger in an all night diner

Em7 C  
Waiting for her love to find her

G D  
Lonely like a harbor line

Em7 C  
That's never seen a boat

G D  
Like a line in an old love letter

C G  
No one ever wrote

G Em7  
I go to work, work all day

C D  
I want a tape recorder for everything you say

G Em7  
Walk to the car, dig out my keys

C D  
Start thinking if you were with anyone but me

G D  
I'd be a stranger in an all night diner

Em7 C  
Waiting for her love to find her

G D  
Lonely like a harbor line

Em7 C  
That's never seen a boat

G D  
Like a line in an old love letter

C G  
No one ever wrote

G Em7  
There you are on the street

C D  
Standing there waiting on me

G Em7  
I show you my new shoes

C  
You say you love them

D  
Baby, without you

G D  
I'd be a stranger in an all night diner

Em7 C  
Waiting for her love to find her

G D  
Lonely like a harbor line

Em7 C  
That's never seen a boat

G D  
Like a line in an old love letter

C G  
No one ever wrote

G Em7  
I wake up, stretch out

C D  
I wonder what you're doing right now ?
