In your drawer, even now

We're singing in the car

The autumn leaves falling down

Like pieces into place

And I can picture

It after all these days

[Puente]

C
Maybe we got lost in translation

G
Maybe I asked for too much

Am
But maybe this thing was a masterpiece

F
Til you tore it all up

C
Running scared, I was there

G Am F
I remember it all too well

C
Hey, you call me up again

G
Just to break me like a promise

Am
So casually cruel

F
In the name of being honest

C
I'm a crumpled up piece

G

Of paper lyin' here
Cause I remember it all
All, all
They say: All's well that ends well
But I'm in the new hell every time
You double-cross my mind
You said if we had been closer in age
Maybe it would have been fine
And that made me want to die
The idea you had of me, who was she?
A never-needy, ever lovely jewel
Whose shine reflects on you
Not weeping in a party bathroom
Some actress asking me what happened
You, that's what happened: You
You, who charmed my dad
With self-effacing jokes
Sipping coffee like you
Were on a late night show
But then he watched me watch
The front door all night
Willing you to come
And he said: It's supposed
To be fun turning twenty one
(C G Am F)

[Cuarta Parte]

Acordes

Time won't fly it's like
I'm paralyzed by it
I'd like to be my old self again
But I'm still tryin' to find it
After plaid shirt days and nights
When you made me your own
Now you mail back my things
And I walk home alone
But you keep my old scarf
From that very first week
Cause it reminds you of innocence
And it smells like me
You cant get rid of it
Cause you remember it all too well
Cause there we are again
When I loved you so
Back before you lost
The one real thing you've ever known
It was rare, I was there
I remember it all too well
Wind in my hair, you were there
You remember it all
Down the stairs, you were there
You remember it all
It was rare, I was there
I remember it all too well
