

Taylor Swift - Bejeweled

tom:

[Primeira Parte]

Baby, love, I think I've been a little too kind
Didn't notice you walking all over my peace of mind
And the shoes I gave you as a present
Puttin' someone first only works when you're in their top five [Ponte]
And by the way, I'm going out tonight

[Refrão]

Best believe I'm still bejeweled when I walk in the room
I can still make the whole place shimmer
And when I meet the band, they ask, "Do you have a man?"
I can still say, "I don't remember"
Familiarity breeds contempt, don't put me in the basement
When I want the penthouse of your heart
Diamonds in my eyes, I polish up real, I polish up real nice
(Dm7 Am G C)
(Dm7 Am G)

[Segunda Parte]

Baby boy, I think I've been too good of a girl (Too good of a girl)
Did all the extra credit, then got graded on a curve
I think it's time to teach some lessons
I made you my world (Huh?), have you heard? (Huh?)
I can reclaim the land
And I miss you (I miss you), but i miss sparkling (Ah, hey)

[Refrão]

I can still make the whole place shimmer

[Final]

I been dancin' all night, and you can try to change my mind
But you might have to wait in line
What's a girl gonna do? What's a girl gonna do?
I polish up nice
Best believe I'm still bejeweled when I walk in the room
I can still make the whole place shimmer
