[Refrão]

A A

Yeah, I showed up at your party

Will you have me?

Will you love me?

Will you kiss me on the porch

In front of all your stupid friends?

If you kiss me, will it be just like I dreamed it?

Will it patch your broken wings?

I'm only seventeen, I don't know anything

But I know I miss you

Standing in your cardigan

Kissing in my car again

Stopped at a streetlight

You know, I miss you
