

Taylor Swift - Call It What You Want

tom:
C

F
My castle crumbled overnight
C
I brought a knife to a gunfight
G Am
They took the crown, but it's alright

F
All the liars are calling me one
C
Nobody's heard from me for months
G Am
I'm doing better than I ever was

F
'Cause my baby's fit like a daydream
C
Walking with his head down
G
I'm the one he's walking to
Am
So call it what you want, yeah

Call it what you want to

F
My baby's fly like a jet stream
C
High above the whole scene
G
Loves me like I'm brand new
Am
So call it what you want, yeah

Call it what you want to

F
All my flowers grew back as thorns
C
Windows boarded up after the storm
G Am
He built a fire just to keep me warm

F
All the drama queens taking swings
C
All the jokers dressing up as kings
G Am
They fade to nothing when I look at him

F
And I know I make the same mistakes every time
C
Bridges burn, I never learn
G
At least I did one thing right
Am
I did one thing right

F
I'm laughing with my lover, making forts under covers
C
Trust him like a brother
G
Yeah, you know I did one thing right
Am
Starry eyes sparking up my darkest night

F
My baby's fit like a daydream
C
Walking with his head down
G
I'm the one he's walking to
Am

So call it what you want, yeah
Call it what you want to

F
My baby's fly like a jet stream
C
High above the whole scene
G
Loves me like I'm brand new
Am
So call it what you want, yeah

Call it what you want to

F C
I want to wear his initial on a chain 'round my neck

Chain 'round my neck
G
Not because he owns me
Am
But 'cause he really knows me

Which is more than they can say, I

F
I recall late November
C
Holding my breath, slowly, I said
G
You don't need to save me
Am
But would you run away with me?

Yes (would you run away?)

F
My baby's fit like a daydream
C
Walking with his head down
G
I'm the one he's walking to
Am
So call it what you want, yeah

Call it what you want to

F
My baby's fly like a jet stream
C
High above the whole scene
G
Loves me like I'm brand new
Am
So call it what you want, yeah

Call it what you want to

F C G Am
(Call it what you want, call it)

(Call it what you want, call it what you want, call it)

(Call it what you want, call it what you want, call it)

(Call it what you want, call it what you want, call it)

F C G Am
(Call it what you want, call it what you want, call it)

(Call it what you want, call it what you want, call it)

(Call it what you want, call it what you want, call it)

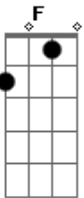

Call it what you want, yeah

Call it what you want to
