

Taylor Swift - CANCELLED!

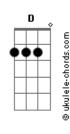

I like 'em cloaked in Gucci and in scandal tom: Gbm (forma dos acordes no tom de Em) Capostraste na 2ª casa Like my whiskey sour and poison thorny flowers (Honey) Welcome to my underworld, it'll break your heart You thought that it would be okay, at first At least you know exactly who your friends are The situation could be saved, of course They're the ones with matching scars But they'd already picked out your grave and hearse Beware the wrath of masked crusaders They stood by me before my exoneration They believed I was innocent Did you girl-boss too close to the Sun? So I'm not here for judgment, no Did they catch you having far too much fun? Come with me, when they see us they'll run But if you can't be good, then just be better at it Something wicked this way comes Everyone's got bodies in the attic Or took somebody's man, we'll take you by the hand Good thing I like my friends cancelled And soon you'll learn the art of never getting caught I like 'em cloaked in Gucci and in scandal Like my whiskey sour and poison thorny flowers It's a good thing I like my friends cancelled (You know that) I like 'em cloaked in Gucci and in scandal Welcome to my underworld where it gets quite dark At least you know exactly who your friends are Like my whiskey sour and poison thorny flowers They're the ones with matching scars (Ooh) It's a good thing I like my friends cancelled (cancelled) It's easy to love you when you're popular I salute you if you're much too much to handle The optics click, everyone prospers Like my whiskey sour (I like it) and But one single drop, you're off the roster Poison thorny flowers (I love it) Tone-deaf and hot, let's fuckin' off her Can't you see my infamy loves company? Did you make a joke only a man could? Now they've broken you like they've broken me Were you just too smug for your own good? But a shattered glass is a lot more sharp Or bring a tiny violin to a knife fight? And now you know exactly who your friends are Baby, that all ends tonight You know who we are Good thing I like my friends cancelled (cancelled) We're the ones with matching scars
