

# Taylor Swift - Cardigan

tom:  
Capostrate na 1ª casa (forma dos acordes no tom de **D**)

[Primeira Parte]

**Em** Vintage tee, brand new phone  
High heels on cobblestones  
When you are young? they assume  
You know nothing  
**Em** Sequined smile, black lipstick  
Sensual politics  
When you are young  
They assume you know nothing

[Pré-Refrão]

**D** But I knew you, dancin' in your Levi's  
Drunk under a streetlight, I  
I knew you, hand under my sweatshirt  
Baby, kiss it better, I

[Refrão]

**Em** And when I felt like  
I was an old cardigan  
Under someone's bed  
You put me on and said  
I was your favorite  
[Segunda Parte]  
**Em** A friend to all  
Is a friend to none  
Chase two girls, lose the one  
When you are young  
They assume you know nothing

[Pré-Refrão]

**D** But I knew you  
Playing hide-and-seek and  
Giving me your weekends, I  
I knew you  
Your heartbeat on the High Line  
Once in twenty lifetimes, I

[Refrão]

**Em** And when I felt like  
I was an old cardigan

**G**  
Under someone's bed  
You put me on and said  
I was your favorite

( **G Bm A G** )

[Terceira Parte]

**G**  
To kiss in cars, in downtown bars  
**Bm**  
Was all I needed  
You drew stars around my scars  
**G**  
But now I'm bleedin'  
**D**  
'Cause I knew you  
Steppin' on the last train  
Marked me like a bloodstain, I

I knew you  
Tried to change the ending  
Peter losin' Wendy, I

**D**  
I knew you  
Leavin' like a father  
Runnin' like water, I  
When you are young  
They assume you know nothing

[Ponte]

**D**  
But I knew you'd linger  
Like a tattoo kiss  
I knew you'd haunt  
All of my what-ifs  
The smell of smoke  
Would hang around this long  
'Cause I knew everything  
When I was young  
I knew I'd curse  
You for the longest time  
Chasin' shadows in the grocery line  
I knew you'd miss me  
Once the thrill expired  
And you'd be standin'  
In my front porch light  
And I knew you'd come back to me  
And you'd come back to me  
And you'd come back to me

And you'd come back

[Refrão]

And when I felt like

I was an old cardigan

Under someone's bed  
You put me on and said

I was your favorite
