

Taylor Swift - Christmases When You Were Mine

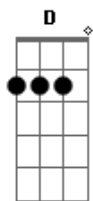

Tom: Db

(com acordes na forma de C)
Capostrate na 1ª casa
(capo 1ª casa)

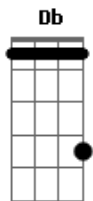

G Please take down the mistletoe
Cause I don't wanna think about that right now
Cause everything I want is miles away in a
Snow covered little town
My mommas in the kitchen
Worryin' about me
Season's Greetings hope your well
Well I'm doin' alright if you were wondering
Lately I can never tell
I know this shouldn't be a lonely time
But there were christmases when you were mine
I've been doin' fine without you, really
Up until the nights got cold

G Em C D
And everybodys here except you, baby
Seems like everyones got someone to hold
But for me it's just a lonely time
Cause there were christmases when you were mine
(okay this part I know is wrong, but it's what I could come up with)
Bm D
Merry Christmas everybody
That'll have to be something I'll just say this year
G Em C D
Well I bet you got your mom another sweater
And were your cousins late again
When you were putting up the lights this year
Did you notice one less pair of hands?
I know this shouldn't be a lonely time
But there were christmases when I didn't
F D
Wonder how you are tonight
Cause there were christmases when you were mine
