Now it's big black cars and Riviera views  
G  
And your lover in the foyer doesn't even know you  
Bm D A  
And your secrets end up splashed on the news front page  
D  
And they tell you that you're lucky, but you're so confused  
G  
'Cause you don't feel pretty, you just feel used  
Bm D A  
And all the young things line up to take your place

[Pré-Refrão]

G Bm  
Another name goes up in lights

You Wonder if you'll make it out alive

[Refrão]

And they'll tell you now, you're the lucky one  
G A

Oh, ooh, oh, oh

[Ponte]

C G  
Beauty is a beast that roars  
Am  
Down on all fours  
C  
Demanding "more"  
C G  
Only when your girlish glow  
Am  
Flickers just so  
C  
Do they let you know  
Am G C  
It's hell on earth to be heavenly  
Am G  
Them's the breaks  
C  
They don't come gently

[Segunda Parte]

D  
It was a few years later I showed up here  
Bm  
And they still tell the legend of how you disappeared  
G D  
A

How you took the money and your dignity and got the hell out  
 They say you bought a bunch of land somewhere  
 Chose the Rose Garden over Madison Square  
 And it took some time, but I understand it now  
 Cause now my name is up in lights  
 But I think you got it right

[Refrão]

Let me tell you now  
 You're the lucky one  
 Let me tell you now  
 You're the lucky one

Let me tell you now  
 You're the lucky one  
 Oh, oh, oh  
 ( F G F )

[Terceira Parte]

"You look like Taylor Swift  
 In this light

We're loving it  
 You've got edge she never did  
 The future's bright  
 ... Dazzling."
