

# Taylor Swift - Cold As You

Tom: F

Dm C Bb Dm C F

F C Dm Bb  
You have a way of coming easily to me

F C Dm Bb  
And when you take, you take the very best of me

Bb C  
So I start a fight cause I need to feel something

Bb  
And you do what you want cause I'm not what you wanted

F C Dm Bb  
Oh what a shame, what a rainy ending given to a perfect day

F C Dm Bb  
Just walk away, ain't no use defending words that you will never say

Dm C  
And now that I'm sitting here thinking it thinking it through

C F  
I've never been anywhere cold as you

F C Dm Bb  
You put up walls and paint them all a shade of gray

F C Dm Bb  
And I stood there loving you and wished them all away

Bb C  
And you come away with a great little story

Bb  
Of a mess of a dreamer with the nerve to adore you

F C Dm Bb  
Oh what a shame, what a rainy ending given to a perfect day

Bb  
Just walk away, ain't no use defending words that you will never say

Dm C  
And now that I'm sitting here thinking it thinking it through

Bb C Dm C Bb  
I've never been anywhere cold as you

Dm C Bb C  
You never did give a damn thing honey but I cried, cried for you

Dm C Bb  
And I know you wouldn't have told nobody if I died, died for you

F C Dm Bb  
Oh what a shame, what a rainy ending given to a perfect day

F C Dm Bb  
Every smile you fake is so condescending

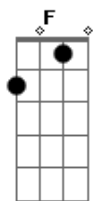

Dm Bb  
Counting all the scars you made

Dm C  
And now that I'm sitting here thinking it through

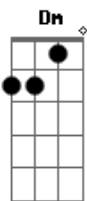

Bb C  
I've never been anywhere cold as you

Dm C Bb Dm C F
