

# Taylor Swift - Come In With The Rain

Tom: G

D, A, Em, G

D A Em  
I could go back to every laugh

G D  
But I don't want to go there anymore and I

A Em  
Know all the steps up to your door

G  
But I don't want to go there anymore

Em D  
Talk to the wind, talk to the sky

G A  
Talk to the man with the reasons why

G A (G)  
And let me know what you find

C D G Em  
I'll leave my window open

C D  
Cause I'm too tired tonight

G A  
To call your name

C D G Em  
Just know I'm right here hoping

C D Em C  
You'll come in with the rain

D A Em  
I could stand up and sing you a song

G D  
But I don't want to have to go that far and I

A Em (D)  
I've got you down, I know you by heart

G  
And you don't even know where I start

Em D

Talk to yourself, talk to the tears

G A  
Talk to the man who put you here

Em G A  
Don't wait for the sky to clear

C D G Em  
I'll leave my window open

C D  
Cause I'm too tired tonight

G A  
To call your name

C D G Em  
Just know I'm right here hoping

C D Em C D A Em G  
You'll come in with the rain

Em G  
I've watched you so long

D  
Screamed your name

A G  
I don't know what else I can say

C D G Em  
But I'll leave my window open

C D  
Cause I'm too tired tonight

G A  
For all these games

C D G Em  
Just know I'm right here hoping

C D Em C  
You'll come in with the rain

D A Em  
I could go back to every laugh

G  
But I don't want to go there anymore
