

# Taylor Swift - Crazyer

tom:

I'd never gone with the wind

Just let it flow

Let it take me where it wants to go

'Til you opened the door

And there's so much more

I'd never seen it before

I was trying to fly, but I couldn't find wings

But you came along and you changed everything

[Refrão]

You lift my feet off the ground, spin me around

You make me crazier, crazier

Feels like I'm falling and I

I'm lost in your eyes, you make me crazier, crazier, crazier

[Segunda Parte]

I watched from a distance as you

Made life your own

Every sky was your own kind of blue and I wanted to know

How that would feel and you made it so real

You showed me something that I couldn't see

You opened my eyes and you made me believe

[Refrão]

You lift my feet off the ground, spin me around

You make me crazier, crazier

Feels like I'm falling and I

I'm lost in your eyes, you make me crazier, crazier, crazier

( C G F )

[Ponte]

Baby, you showed me what living is for

I don't wanna hide anymore

[Refrão]

You lift my feet off the ground, spin me around

You make me crazier, crazier

Feels like I'm falling and I

I'm lost in your eyes, you make me crazier, crazier, crazier
