

Taylor Swift - Crazy

tom:
E (forma dos acordes no tom de D)
Capostrate na 2ª casa

I'd never gone with the wind

Just let it flow

Let it take me where it wants to go

'Till you open the door

Now there's so much more

I'd never seen it before

I was trying to fly, but I couldn't find wings
But you came along and you changed everything

You lift my feet off the ground

You spin me around

You make me crazier, crazier

Feels like I'm falling and I

I'm lost in your eyes

You make me crazier, crazier, crazier

I've watched from a distance as you

You made life your own

Every sky was your own kind of blue

And I wanted to know

How that would feel

And you made it so real

You showed me something that I couldn't see

You opened my eyes and you made me believe

You lift my feet off the ground

You spin me around

You make me crazier, crazier

Feels like I'm falling and I

I'm lost in your eyes

You make me crazier, crazier, crazier

[Interlúdio]

Oh, baby, you showed me what living is for
I don't want to hide anymore

You lift my feet off the ground

You spin me around

You make me crazier, crazier

Feels like I'm falling

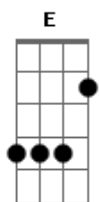

And I, I'm lost in your eyes

You make me crazier, crazier, crazier
