Afinação: Eb Ab Db Gb Bb Eb

Intro: G Cadd9 G Cadd9

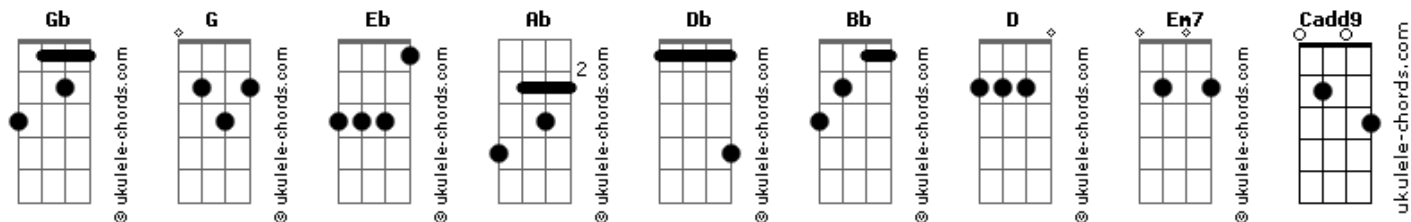

G
Long were the nights
Cadd9
When my days once revolved around you
G
Counting my footsteps
Cadd9
Praying the floor won't fall through again
D Em7 D
And my mother accused me of losing my mind
Cadd9
But I swore I was fine

G
You paint me a blue sky
Cadd9
And go back and turn it to rain
G
And I lived in your chess game
Cadd9
But you changed the rules every day
D Em7
Wondering which version of you
D Cadd9
I might get on the phone tonight
D
Well, I stopped picking up
Em7 D Cadd9
And this song is to let you know why

G
Dear John
Cadd9
I see it all now that you're gone
Em7
Don't you think I was too young to be messed with?
D Cadd9
The girl in the dress cried the whole way home
G Cadd9
I should've known

G
Well, maybe it's me
Cadd9
And my blind optimism to blame
G
Or maybe it's you and your sick need
Cadd9
To give love then take it away
D
And you'll add my name
Em7 D Cadd9
To your long list of traitors who don't understand
D
And I'll look back in regret
Em7 D
How I ignored when they said
Cadd9

Never impressed by me acing your tests

All the girls that you've run dry have tired, lifeless eyes
Cadd9
'Cause you burned them out
