## Acordes

G Am F  
Never take advice from someone who's falling apart  
G Am F  
Never take advice from someone who's falling apart

[Ponte]

F  
So wander through these nights

Am  
I prefer hiding in plain sight

G  
My fourth drink in my hand

These desperate prayers are the cursed man

F  
Spilling out to you for free

Am  
But darling, darling, please

G F  
You wouldn't take my word for it if you knew who was talking

Am G  
If you knew where I was walking

F  
To a house, not a home, all alone 'cause nobody's there

Am G  
Where I pace in my pent and my friends found friends who care

F  
No one sees when you lose when you're playing solitaire

Am G  
You should find another guiding light, guiding light

Well I shine so bright

F Am G  
You should find another guiding light, guiding light

But I shine so bright

( F Am G )

F Am G  
You should find another, you should find another

(guiding light)

G  
Find another, you should find another

( F Am G F Am )

You should find another

[Final] G F Am G
