

Taylor Swift - Drops Of Jupiter

Tom: Eb

(com acordes na forma de D)
Capotraste na 1ª casa
Intro: 2x: D A Em G

Now that he's back in the atmosphere
With drops of Jupiter in his hair, hey, hey
Walks like summer and talks like rain
Reminds me that there's time to change, hey, hey
Since the return from his stay on the moon
He listens like spring and he talks like June, hey, hey
Tell me did you sail across the sun
Did you make it to the Milky Way to see the lights all faded
And that heaven is overrated
Tell me, did you fall for a shooting star
One without a permanent scar
D A Em G (2x)
And did you miss me while you were looking for yourself out there
Now that he's back from that soul vacation
Tracing his way through the constellation, hey, hey
He checks out Mozart while he does tae-bo
Reminds me that there's a room to grow, hey, hey
But now that he's back in the atmosphere
I'm afraid that he might think of me as plain ol' Jane
Told a story about a man who is too afraid to fly so he never did land

Tell me did the wind sweep you off your feet
Did you finally get the chance to dance alone the light of day
And head back to the Milky Way
And tell me, did Venus blow your mind
Was it everything you wanted to find
And did you miss me while you were looking for yourself out there
Can you imagine no love, pride, deep-fried chicken
Your best friend always sticking up for you even when I know you're wrong
Can you imagine no first dance, freeze dried romance five-hour phone conversation
The best soy latte that you ever had... and me
Tell me did the wind sweep you off your feet
Did you finally get the chance to dance alone the light of day
And head back to the Milky Way
Tell me, did you fall for a shooting star
One without a permanent scar
And did you miss me while you were looking for yourself
na na na na na na na na na na oh oh
Can you imagine no love, pride, deep-fried chicken
Your best friend always sticking up for you even when I know you're wrong
Can you imagine no first dance, freeze dried romance five-hour phone conversation
The best soy latte that you ever had... and me
