There I was again tonight forcing laughter, faking smiles

Shifting eyes and vancancy vanished when I saw your face

All I can say is it was enchanting to meet you

Your eyes whispered "have we met?"

Across the room your silhouette starts to make it's way to me

The playful conversation starts

Counter all your quick remarks like passing notes in secrecy

And it was enchanting to meet you  
C Em D  
All I can say is I was enchanted to meet you

The lingering question kept me up

2am, who do you love?

I wonder till I'm wide awake

It was enchanted to meet you

All I know is I was enchanted to meet you
