

Taylor Swift - Enchanted - Wildest Dreams

tom:

G

This night is sparkling
Don't you let it go
I'm wonder-struck
Blushing all the way home
I'll spend forever wondering if you knew
That this night is flawless
Don't you let it go
I'm wonder-struck
Dancing around all alone
I'll spend forever wondering if you knew
I was enchanted to meet you
He said let's get out of this town
Drive out of the city, away from the crowds
I thought heaven can't help me now
Nothing lasts forever, but this is gonna take me down
He's so tall, and handsome as hell
He's so bad but does it so well
I can see the end as it begins my one condition is

[Chorus]
Say you'll remember me
Standing in a nice dress, staring at the sunset babe
Red lips and rosy cheeks
Say you'll see me again even if it's just in your
Wildest dreams
Wildest dreams

I say no one has to know what we do
His hands are in my hair, his clothes are in my room
And his voice is a familiar sound, nothing lasts forever
But this is getting good now
He's so tall, and handsome as hell
He's so bad but does it so well
When we've had our very last kiss
My last request is

[Chorus]
Say you'll remember me
Standing in a nice dress, staring at the sunset babe
