

# Taylor Swift - Epiphany

tom:  
 D (forma dos acordes no tom de Db )  
 Capostrate na 1ª casa

Keep your helmet, keep your life, son  
 Just a flesh wound. Here's your rifle

Crawling up the beaches now  
 Sir, I think he's bleedin' out  
 And some things you just can't speak about

With you, I serve, with you, I fall down  
 Watch you breathin', watch you breathin' out

Something med school did not cover  
 Someone's daughter. Someone's mother  
 Holds your hand through plastic now  
 Doc, I think she's crashin' out

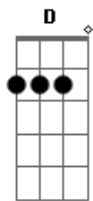

And some things you just can't speak about  
 ( C F F Am7 G Am7 F C G )

Only twenty minutes to sleep  
 But you dream of some epiphany  
 Just one single glimpse of relief  
 To make some sense of what you've seen

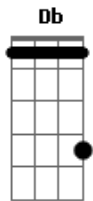

With you, I serve, with you, I fall down  
 Watch you breathin', watch you breathin' out  
 With you, I serve, with you, I fall down  
 Watch you breathin', watch you breathin' out

Only twenty minutes to sleep  
 But you dream of some epiphany  
 Just one single glimpse of relief  
 To make some sense of what you've seen
