D Bm G
All I knew this morning when I woke
Is I know something now
Know something now I didn't before
And all I've seen since eighteen hours ago
Is green eyes and freckles in your smile
In the back of my mind making me feel right

[Pré-Refrão]

Know you're better now
Know you're better now
I just wanna know you know you know you

[Refrão]

'Cause all I know is we said "hello"
And your eyes look like coming home
All I know is a simple name?
Everything has changed
All I know is we held the door
You'll be mine and I'll be yours
All I know since yesterday is
Everything has changed

(D)

[Segunda Parte]

And I'll take them down
Take them down and open up the door for you

The beautiful kind, making up for lost time
Taking flight, making me feel like
