tom: [Intro] D G Bm G

D  
You take a deep breath and you  
G  
Walk through the doors  
Bm  
Its the morning of your very first day  
D G  
You say hi to your friends you aint seen in a while  
Bm G  
Try and stay out of everybodys way  
D G  
It's your freshman year and you're gonna be here  
Bm G  
For the next four years in this town

Hoping one of those  
D G  
Senior boys will wink at you and say  
Bm G  
You know I haven't seen you around, before

'Cause when you're fifteen and  
Bm A  
Somebody tells you they love you  
G  
You're gonna believe them  
D  
And when you're fifteen  
A Bm G  
Feeling like there's nothing to figure out  
Bm A  
Well count to ten, take it in  
D A G  
This is life before you know who you're gonna be  
A  
At fifteen  
( D G Bm G )

D  
I see the great escape, so long, Daisy May  
Bm G  
I picked the petals, he loves me not  
D  
Something different bloomed, writing in my room  
Bm G Bm  
I play my songs in the parking lot  
A  
I'll run away

G A D  
From sprinkler splashes to fireplace ashes  
Bm7 G  
I called a taxi to take me there  
A D  
I search the party of better bodies  
Bm7 G  
Just to learn that my dreams aren't rare

A  
You're on your own, kid, you always have been  
( G A D Bm7 )  
( G A D Bm7 )  
( G A )

G Bm A  
When all you wanted was to be wanted  
Wish you could go back  
D A G  
And tell yourself what you know now  
Bm A  
What you know now

G A D  
From sprinkler splashes to fireplace ashes  
Bm7 G  
I gave my blood, sweat and tears for this  
A D  
I hosted parties and starved my body  
Bm7 G  
Like I'd be saved by a perfect kiss  
A D  
The jokes weren't funny, I took the money  
Bm7 G  
My friends from home don't know what to say  
A D  
I looked around in a blood-soaked gown  
Bm7 G  
And I saw something they can't take away  
A  
'Cause there were pages turned  
D  
With the bridges burned  
Bm7 G  
Everything you lose is a step you take  
A  
So make the friendship bracelets  
D  
Take the moment and taste it  
Bm7 G  
You've got no reason to be afraid  
A  
You're on your own, kid  
G A  
Yeah, you can face this  
G A  
You're on your own, kid  
D  
You always have been  
( G A )

D  
Your very first day  
G  
Take a deep breath girl  
Bm  
Take a deep breath as you  
G  
Walk through the doors
