

Taylor Swift - Forever And Always

tom:
 Capotraste na 3ª casa
 Once upon a time
 I believe it was a Tuesday
 When I caught your eye
 We caught onto something
 I hold onto the night
 You looked me in the eye
 And told me you loved me
 Were you just kidding?
 'Cause it seems to me
 This thing is breaking down
 We almost never speak
 I don't feel welcome anymore
 Baby what happened
 Please tell me cause one second it was perfect
 Now you're halfway out the door
 And I stare at the phone
 He still hasn't called
 And then you feel so low you can't feel
 Nothing at all
 And you flashback to when he said
 "Forever and always"
 Oh, and it rains in your bedroom
 Everything is wrong
 It rains when you're here and it rains
 When you're gone
 'Cause I was there when you said
 "Forever and always"
 When my silence came
 We were shaking, blind, and hazy
 How the hell did we lose sight of us again?
 Sobbing with your head in your hands
 Ain't that the way shit always ends?
 You were standing hollow-eyed in the hallway

 Carnations you had thought were roses
 That's us
 I feel you, no matter what
 The rubies that I gave up
 And I lost you
 The one I was dancing with
 In New York, no shoes
 Looked up at the sky, and it was
 The burgundy on my T-shirt
 When you splashed your wine onto me
 And how the blood rushed into my cheeks
 So scarlet, it was
 The mark you saw on my collarbon?
 The rust that grew between t?lephones
 The lips I used to call "home"
 So scarlet, it was maroon
 (C G Em7 D)
 And I wake, with your memory over me
 That's a real fucking legacy, legacy
 And I wake with your memory over me
 That's a real fucking legacy to leave
 Oh back up, baby back up
 Did you forget everything?
 Back up, baby back up
 Did you forget everything?
 The burgundy on my T-shirt
 When you splashed your wine onto me
 And how the blood rushed into my cheeks
 So scarlet, it was
 The mark you saw on my collarbon?
 The rust that grew between t?lephones
 The lips I used to call "home"
 So scarlet, it was maroon
 And it was maroon
 And it was maroon
