

Taylor Swift - Forever And Always

Once upon a time
I believe it was a Tuesday
When I caught your eye
We caught onto something
I hold onto the night
You looked me in the eye
And told me you loved me
Were you just kidding?
'Cause it seems to me
This thing is breaking down
We almost never speak
I don't feel welcome anymore
Baby what happened
Please tell me cause one second it was perfect
Now you're halfway out the door
And I stare at the phone
He still hasn't called
And then you feel so low you can't feel
Nothing at all
And you flashback to when he said
"Forever and always"
Oh, and it rains in your bedroom
Everything is wrong D Em7
It rains when you're here and it rains
When you're gone
'Cause I was there when you said
"Forever and always"
When my silence came
We were shaking, blind, and hazy
Em7 How the hell did we lose sight of us again?
Sobbing with your head in your hands
Ain't that the way shit always ends?
C G You were standing hollow-eyed in the hallway

```
Carnations you had thought were roses
That's us
I feel you, no matter what
The rubies that I gave up
C G
And I lost you
  Em7 D
The one I was dancing with
In New York, no shoes Em7 D
Looked up at the sky, and it was
The burgundy on my T-shirt
When you splashed your wine onto me
          Em7
And how the blood rushed into my cheeks
So scarlet, it was
The mark you saw on my collarbon?
The rust that grew between t?lephones
The lips I used to call "home"
So scarlet, it was maroon
( C G Em7 D )
And I wake, with your memory over \ensuremath{\mathsf{me}}
      Em7
That's a real fucking legacy, legacy
And I wake with your memory over me
       Em7
That's a real fucking legacy to leave
Oh back up, baby back up
           D
Did you forget everything?
Back up, baby back up
Did you forget everything?
The burgundy on my T-shirt
   G
When you splashed your wine onto me
And how the blood rushed into my cheeks
So scarlet, it was
The mark you saw on my collarbon?
The rust that grew between t?lephones
   Em7
The lips I used to call "home"
So scarlet, it was maroon
             C G Em7 D
And it was maroon
And it was maroon
