                                                              You knew it still hurts underneath my scars
  Am G
My winless fight
                                                              From when they pulled me apart
