

# Taylor Swift - Holy Ground

Tom: **E**  
Intro: **E**

**E**  
I was reminiscing just the other day

While having coffee all alone and Lord it took me away  
**A**  
Back to a first-glance feeling on New York time

Back when you fit in my poems like a perfect rhyme

**E**  
Took off fast through the green light go

Hey skip the conversation and you already know  
**Dbm**  
I left a note on the door with a joke we'd made  
**A**  
And that was the first day

**B Dbm A**  
And darling it was good  
**B Dbm A**  
Never looking down  
**B Dbm A**  
And right there where we stood  
**E A**  
Was holy ground

**E**  
Spinning like a girl in a brand new dress

We had this big wide city all to ourselves  
**A**  
We blocked the noise with the sound of I need you

And for the first time I had something to lose

**E**  
Well I guess we fell apart in the usual way

And the story's got dust on every page  
**Dbm**  
Sometimes I wonder how you think about it now  
**A**  
And I see your face in every crowd

**B Dbm A**  
And darling it was good  
**B Dbm A**  
Never looking down  
**B Dbm A**  
And right there where we stood  
**E A Dbm A**  
Was holy ground

**E A**  
Tonight I'm gonna dance for all that we've been through

But I don't wanna dance if I'm not dancing with you  
**E A**  
Tonight I'm gonna dance like you were in this room  
**B**  
But I don't wanna dance if I'm not dancing with you

**Dbm A**  
It was good  
**B Dbm A**  
Never looking down  
**B Dbm A**  
And right there where we stood  
**E A Dbm A**  
Was holy ground

**E A Dbm**  
Tonight I'm gonna dance for all that we've been through

But I don't wanna dance if I'm not dancing with you  
**E A Dbm**  
Tonight I'm gonna dance like you were in this room  
**A**  
But I don't wanna dance if I'm not dancing with you
