

Taylor Swift - Honey

tom:
Intro: D G7M A Em
You can call me honey if you want
Because I'm the one you want, mm-mm
[Refrão]
When anyone called me sweetheart
It was passive-aggressive at the bar
And the bitch was telling me to back off
'Cause her man had looked at me wrong
If anyone called me honey
It was standing in the bathroom, white teeth
They were saying that skirt don't fit me
And I cried the whole way home
[Post-Refrão]
But you touch my face
Redefine all of those blues
When you say: Honey
[Primeira Parte]
Summertime Spritz, pink skies
You can call me honey if you want
Because I'm the one you want
Wintergreen kiss, all mine
You give it different meaning
'Cause you mean it when you talk
Honey, I'm home, we can play house
We can bed down, pick me up
Who's the baddest in the land, what's the plan? (What's the plan?)
You could be my forever night stand
Honey
[Refrão]
When anyone called me sweetheart
It was passive-aggressive at the bar
And the bitch was telling me to back off
'Cause her man had looked at me wrong
If anyone called me honey
It was standing in the bathroom, (yeah) white teeth
They were saying that skirt don't fit me
And I cried the whole way home (cried the whole way home)
[Final]

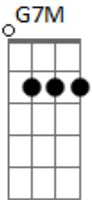

They were saying that skirt don't fit me
And I cried the whole way home
[Post-Refrão]
But you touch my face
Redefine all of those blues
When you say, ?ay, ?ay
[Segunda Parte]
You can call me honey if you want
Because I'm the one you want
I'm the one you want
You give it different meaning
'Cause you mean it when you talk
Sweetie, it's yours, kicking in doors, take it to the floor
Give me more, buy the paint in the color of your eyes (of your eyes)
And graffiti my whole damn life
Honey
[Pré-Refrão]
When anyone called me late night
He was screwing around with my mind
Asking: What are you wearing?
Too high to remember in the morning
And when anyone called me lovely
They were finding ways not to praise me
But you say it like you're in awe of me
And you stay until the morning
Honey
[Refrão]
When anyone called me sweetheart
It was passive-aggressive at the bar
And the bitch was telling me to back off
'Cause her man had looked at me wrong (he looked at me wrong)
If anyone called me honey
It was standing in the bathroom, (yeah) white teeth
They were saying that skirt don't fit me
And I cried the whole way home (cried the whole way home)
[Final]

But you can call me "honey" if you want
