 A E B Dbm B
 The empathetic hunger descends
 A E B Dbm B
 Will tell no one, except all of our friends
 A E B Dbm B
 We must know: How did it end?
 E Dbm Abm B
 (Uh-uh, uh-uh)
 E Dbm
 We were blind to unforeseen circumstances
 Abm B

 A E B Dbm B
 One gasp, and then: How did it end?
 A B
 Say it once again with feeling
 Dbm
 How the death rattle breathing
 E

 A
 The deflation of our dreaming
 B
 Leaving me bereft and reeling
 Dbm
 My beloved ghost and me
 E
 Sitting in a tree
 A E B
 D-y-i-n-g
 B Dbm B A E B
 It's happening again
 B Dbm B A E B
 How did it end?
 B Dbm B A E B
 I can't pretend like I understand
 Dbm B
 How did it end?
 A E B Dbm B
 Come one, come all, it's happening again
 A E B Dbm B
 The empathetic hunger descends
 A E B Dbm B
 Will tell no one, except all of our friends
 A E B Dbm B
 But I still don't know: How did it end?
