F I bet you couldn't believe
Am When you realized I'm harder to forget than I was to leave
C Am G F G And I bet you think about me

[Terceira Parte]

C You grew up in a silver-spoon gated community
F Glamorous, shiny, bright Beverly Hills
C I was raised on a farm, no, it wasn't a mansion
F Just livin' room dancin' and kitchen table bills

[Quarta Parte]

C But you know what they say, you can't help who you fall for
F And you and I fell like an early spring snow
C But reality crept in, you said we're too different
F You laughed at my dreams, rolled your eyes at my jokes

[Refrão]

F Mr. Superior Thinkin'
F Do you have all the space that you need?
