

Taylor Swift - Illicit Affairs

tom:
Capo: 3ª casa
Intro: G Em Cadd9 Bm D

G Em
Make sure nobody sees you leave
Hood over your head, keep your eyes down
Tell your friends you're out for a run
You'll be flushed when you return
G Em
Take the road less traveled by
Cadd9
Tell yourself you can always stop
Bm
What started in beautiful rooms
D
Ends with meetings in parking lots
Bm Cadd9
And that's the thing about illicit affairs
D D
And clandestine meetings and longing stares
Bm Cadd9
It's born from just one single glance
D D
But it dies and it dies and it dies
G
A million little times
G Em
Leave the perfume on the shelf
Cadd9
That you picked out just for him
Bm
So you leave no trace behind
D

Like you don't even exist
G Em
Take the words for what they are
Cadd9
A dwindling, mercurial high
Bm
A drug that only worked
D
The first few hundred times
Bm Cadd9
And that's the thing about illicit affairs
D
And clandestine meetings and longing stares
Bm Cadd9
They show their truth one single time
D D
But they lie and they lie and they lie
G
A million little times
G
And you wanna scream
G
Don't call me kid, don't call me baby
Em
Look at this godforsaken mess that you made me
Cadd9 G D
You showed me colors you know I can't see with anyone else
G
Don't call me kid, don't call me baby
Em
Look at this idiotic fool that you made me
Cadd9 G D
You taught me a secret language I can't speak with anyone else
Bm Bm Cadd9
And you know damn well
D
For you, I would ruin myself
G
A million little times
