

Taylor Swift - Illicit Affairs

tom:
Capostrate na 3ª casa
Intro: G Em C G D

G
Make sure nobody sees you leave
Em Hood over your head, keep your eyes down C
Tell your friends you're out for a run D
You'll be flushed when you return
G Take the road less traveled by
Em Tell yourself you can always stop C
What started in beautiful rooms D
Ends with meetings in parking lots
G And that's the thing about illicit affairs C
And clandestine meetings and longing stares D
It's born from just one single glance G
But it dies and it dies and it dies D
A million little times G
G Leave the perfume on the shelf
Em That you picked out just for him C
So you leave no trace behind D
Like you don't even exist G

Take the words for what they are Em C
A dwindling, mercurial high G
A drug that only worked D
The first few hundred times
G And that's the thing about illicit affairs C
And clandestine meetings and stolen stares D
They show the truth one single time G C
But they lie and they lie and they lie D
A million little times G
And you wanna scream
G Don't call me kid, don't call me baby
Em Look at this godforsaken mess that you made me C
You showed me colors you know I can't see D
With anyone else
G Don't call me kid, don't call me baby
Em Look at this idiotic fool that you made me C
You taught me a secret language I can't D
Speak with anyone else G G C
And you know damn well D
For you, I would ruin myself G
A million little times
