

# Taylor Swift - I'm Alright

Tom: C

(com acordes na forma de Capotraste na 5ª casa G )

Em C G D  
Those green eyes and  
Em C G D  
That contagious smile  
Em C G D  
And those lips  
Em C G D  
And the way they verbalize  
Em C G D  
New york city what a beauty to our eyes  
Em C G D  
Then you held my hand the first time  
Em C G D  
You looked at me and smile

Em C G D  
Everything was perfect  
Em C G D  
Everything was great  
Em C G D  
I was in a fairytale  
Em C G D  
It's a dream while i'm awake  
Em C G D  
But days passed and we weren't there  
Em C G D  
And it felt like we didn't care anymore  
Em C G D  
Anymore

C G D  
But why'd we say goodbye  
C G D  
We said we didn't have enough time for both of us  
C G D  
We said we'll try to work things out  
Em C G D  
But all a sudden we're all tired and said goodbye

G Em C D  
It's sad not to hear you  
G Em C D  
Calling me up at 3am  
G Em C D  
No one's ever gonna sing to me  
G Em C D  
Stevie wonder songs again

G Em C D  
I'll miss your kiss and your curly hair  
G Em C D  
But now that we said goodbye  
G Em C D  
I'll pretend that i'm alright  
G Em C D  
Yeah i'm alright  
G Em C D  
I'm alright

G Em C D  
You said you didn't wanna see me cry  
G Em C D  
I'll pretend that i'm alright  
G Em C D  
I'm alright

Em C G D  
I'll miss you holding hotel keys  
Em C G D  
I'll miss you holding hotel keys  
Em C G D  
And watch you sing to girls with happy tears  
Em C G D  
When you're on stage  
Em C G D  
You point at me

Em C G D  
You sing to me  
Em C G D  
As i chant your name  
Em C G D  
And as the spotlights disappear  
Em C G D  
It's a different person that i'm with  
Em C G D  
So much simpler  
Em C G D  
So much better  
Em C G D  
And just so beautiful

Em C G D  
The way we laugh with four more guys  
Em C G D  
You walk around naked and cover my eyes  
Em C G D  
You're just so funny  
Em C G D  
I can't believe we're letting this go

C G D  
But why'd we say goodbye  
C G D  
We said we didn't have enough time for both of us  
C G D  
We said we'll try to work things out  
C G D  
But all a sudden we're all tired and said goodbye

G Em C D  
It's sad not to hear you  
G Em C D  
Calling me up at 3am  
G Em C D  
No one's ever gonna sing to me  
G Em C D  
Stevie wonder songs again

G Em C D  
I'll mis your kiss and your curly hair  
G Em C D  
But now that we said goodbye  
G Em C D  
I'll pretend that i'm alright  
G Em C D  
Yeah i'm alright  
G Em C D  
I'm alright

G Em C D  
You said you didn't wanna see me cry  
G Em C D  
I'll pretend that i'm alright

G Em C D  
Maybe it's time to let go  
G Em C D  
Maybe it's better off alone  
G Em C D  
Maybe today's the wrong time  
G Em C D  
Someday we'll learn to be strong  
G Em C D  
Maybe you're right about this  
G Em C D  
We're busy people with busy lives  
G Em C D  
We can't keep up on this  
G Em C D  
So goodbye

G Em C D  
Call me up at 3am  
G Em C D  
Sing me stevie wonder songs again

G Em C D  
Your kiss and your curly hair  
G Em C D

Never gonna say goodbye  
G Em C D  
'cause we're alright

## Acordes
