

Taylor Swift - Invisible Strings

tom:

Intro: G D Em Bm

[Primeira Parte]

Green was the color

Of the grass

Where I used to read

At Centennial Park

I used?to?think I

Would?meet somebody there

Teal was the color?

Of your shirt

When you were sixteen

At the yogurt shop

You?used?to?work at to?

Make a little ?money

[Refrão]

Time, curious time

Gave me no compasses

Gave me no signs

Were there clues

I didn't see?

And isn't it just

So pretty to think

All along there was some

Invisible string

Tying you to me?

Ooh-ooh-ooh-ooh

[Segunda Parte]

Bad was the blood of

The song in the cab

On your first trip to L.A

You ate at my favorite

Spot for dinner

Bold was the waitress on our three-year trip

Getting lunch down by the Lakes

She said I looked like an American singer

[Refrão]

Time, mystical time

Cutting me open

Then healing me fine

Were there clues I didn't see?

And isn't it just

So pretty to think

All along there was some

Invisible string

Tying you to me?

Ooh-ooh-ooh-ooh

[Ponte]

A string that pulled me

Out of all the wrong arms

Right into that dive bar

Something wrapped all of

My past mistakes in barbed wire

Chains around my demons

Wool to brave the seasons

One single thread of gold

Tied me to you

[Terceira Parte]

Cold was the steel

Of my axe to grind

For the boys who

Broke my heart

Now I send their

Babies presents

Gold was the color

Of the leaves

When I showed you

Around Centennial Park

Hell was the journey but

It brought me heaven

[Refrão]

Time, wondrous time

Gave me the blues and

Then purple-pink skies

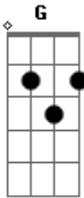

And it's cool

Baby, with me

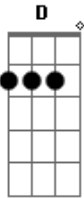

And isn't it just
So pretty to think
All along there was some
Invisible string
Tying you to me?

Ooh-ooh-ooh-ooh
Me
Ooh-ooh-ooh-ooh
