

# Taylor Swift - Is It Over Now?

tom:

Intro: C F Am F

[Primeira Parte]

C F

Once the flight had flown (Uh-huh)

With the wilt of the rose (Uh-huh)

I slept all alone (Uh-huh)

You still wouldn't go

[Pré-Refrão]

C F

Let's fast forward to three hundred takeout coffees later

I see your profile and your smile on unsuspecting waiters

You dream of my mouth before it called you a lying traitor

You search in every maiden's bed for somethin' greater, baby

[Refrão]

C F

Was it over when she laid down on your couch?

Was it over when he unbuttoned my blouse?

"Come here," I whispered in your ear

In your dream as you pass'd out, baby

Was it over then? And is it over now?

[Pos-refrão]

C F

(Is it? Is it? Is it?)

[Segunda Parte]

C F

Wh?n you lost control (Uh-huh)

Red blood, white snow (Uh-huh)

Blue dress on a boat (Uh-huh)

Your new girl is my clone

[Ponte]

C

And did you think I didn't see you?

There were flashin' lights

At least I had the decency

To keep my nights out of sight

Only rumors 'bout my hips and thighs

And my whispered sighs

Oh, Lord, I think about

Jumpin' off of very tall somethings

Just to see you come running

And say the one thing I've been wanting, but no

[Pré-Refrão]

C F

Let's fast forward to three hundred awkward blind dates later (Oh)

If she's got blue eyes, I will surmise that you'll probably date her (Oh)

You dream of my mouth before it called you a lying traitor (Oh)

You search in every model's bed for somethin' greater, baby

[Refrão]
