

# Taylor Swift - Last Kiss

tom:  
Capo: Bb (forma dos acordes no tom de G)  
Capo: 3ª casa  
Intro: G Em C D

G  
I still remember the look on your face,  
Em  
Lit through the darkness at 1:58,  
C  
The words that you whispered for just us to know.  
D  
You told me you loved me so why did you go  
G  
Away?  
Em  
Away.  
( C D )  
G  
I do recall now the smell of the rain,  
Em  
Fresh on the pavement. I ran off the plane.  
C  
That July 9th, the beat of your heart.  
D  
It jumps through your shirt. I can still feel your arms.

C  
But now I'll go sit on the floor,  
G  
Wearing your clothes.

C  
All that I know is I don't know.  
D  
How to be something you miss.

G Em  
I never thought we'd have a last kiss.  
C Em D  
Never imagined we'd end like this.  
C D  
Your name forever the name on my lips.

G  
I do remember the swing in your step.  
Em  
The life of the party, you're showing off again.

C  
And I roll my eyes and then you pull me in.  
D  
I'm not much for dancin', but for you I did.

G  
Because I love your handshake, meetin' my father.  
Em  
I love how you walk with your hands in your pockets.

C  
How you kissed me when I was in the middle of sayin'  
something.  
D  
There's not a day I don't miss those rude interruptions.

And I'll go sit on the floor,  
G  
Wearing your clothes.

C  
All that I know is I don't know  
D  
How to be something you miss.

G Em  
I never thought we'd have a last kiss.  
C Em D  
Never imagined we'd end like this.  
C D  
Your name forever the name on my lips.  
C D  
Oo-oo-ooh.

G Em  
So I'll watch your life in pictures  
C  
Like I used to watch you sleep

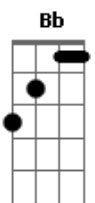

D  
And I'll feel you forget me  
G  
Like I used to feel you breathe  
Em  
And I'll keep up with our old friends  
C  
Just to ask them how you are.  
D  
Hope it's nice where you are.

C  
And I hope the sun shines and it's a beautiful day  
G  
And something reminds you, you wish you had stayed.  
C  
You can plan for a change in the weather and time,  
D  
but I never planned on you changing your mind.

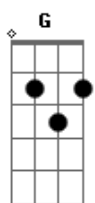

C  
So I'll go sit on the floor,  
G  
Wearing your clothes.  
C  
All that I know is I don't know  
D  
How to be something you miss.

G Em  
I never thought we'd have a last kiss.  
C Em D  
Never imagined we'd end like this.  
C D  
Your name forever the name on my lips.  
G  
Just like our last kiss.  
Em  
Forever the name on my lips.  
C D  
Forever the name on my lips.  
G  
Just like our last.
