

Taylor Swift - Long Live

tom:
Intro: C F Am G F

[Primeira Parte]

I said remember this moment In the back
Of my mind

The time we stood with our shaking hands
The crowds in stands went wild

We were the kings and the queens
And they read off our names

The night you danced like you knew our
Lives

Would never be the same

You held your head like a hero On a
History book page

It was the end of a decade But the
Start of an age

[Refrão]

Long live the walls we crashed through
How the kingdom lights shined just for
Me and you

I was screaming, "long live all the
Magic we made"

And bring on all the pretenders
One day we will be remembered

Part II: NEW YEAR'S DAY

(C F Am G F)
(C Am7 G F2)

[Segunda Parte]

There's glitter on the floor
After the party

Girls carrying their shoes down
In the lobby

Candle wax and Polaroids
On the hardwood floor

You and me from the night before, but

[Refrão]

Don't read the last page
But I stay when you're lost

And I'm scared

And you're turning away

I want your midnights

But I'll be cleaning up bottles with you
On New Year's Day

Part III: THE MANUSCRIPT

(C Am7 G F2)
(F C G F)

[Terceira Parte]

And the years passed
Like scenes of a show

The Professor said to
Write what you know

Lookin' backwards
Might be the only
Way to move forward

Then the actors
Were hitting their marks

And the slow dance
Was alight with the sparks

And the tears fell
In synchronicity with the score

And at last
She knew what the agony had been for

[Ponte]

Hold on to spinning around
Confetti falls to the ground

May these memories break our fall

[Quarta Parte]

Please, don't ever become a stranger
Whose laugh I could recognize anywhere

Please, don't ever become a stranger
Whose laugh I could recognize anywhere

Hold on to the memories
They will hold on to you

Hold on to the memories
They will hold on to you

Hold on to the memories
They will hold on to you

And I will hold on to you

[Refrão]

Long live the walls we crashed through
How the kingdom lights shined just for
Me and you

I was screaming, "long live all the
Magic we made"

And bring on all the pretenders

One day we will be remembered

[Final]

The only thing that's left
Is the manuscript
One last souvenir from my trip
To your shores
Now and then
I reread the manuscript
But the story isn't mine
