

# Taylor Swift - Long Live

tom:  
Intro: C F Am G F

[Primeira Parte]

I said remember this moment In the back  
Of my mind

The time we stood with our shaking hands  
The crowds in stands went wild

We were the kings and the queens  
And they read off our names

The night you danced like you knew our  
Lives

Would never be the same

You held your head like a hero On a  
History book page

It was the end of a decade But the  
Start of an age

[Refrão]

Long live the walls we crashed through  
How the kingdom lights shined just for  
Me and you

I was screaming, "long live all the  
Magic we made"

And bring on all the pretenders  
One day we will be remembered

Part II: NEW YEAR'S DAY

( C F Am G F )  
( C Am G F2 )

[Segunda Parte]

There's glitter on the floor  
After the party

Girls carrying their shoes down  
In the lobby

Candle wax and Polaroids  
On the hardwood floor

You and me from the night before, but

[Refrão]

Don't read the last page  
But I stay when you're lost

And I'm scared

And you're turning away

I want your midnights

But I'll be cleaning up bottles with you  
On New Year's Day

Part III: THE MANUSCRIPT

( C Am G F2 )  
( F C G F )

[Terceira Parte]

And the years passed  
Like scenes of a show

The Professor said to  
Write what you know

Lookin' backwards  
Might be the only  
Way to move forward

Then the actors  
Were hitting their marks

And the slow dance  
Was alight with the sparks

And the tears fell  
In synchronicity with the score

And at last  
She knew what the agony had been for

[Ponte]

Hold on to spinning around  
Confetti falls to the ground  
May these memories break our fall

[Quarta Parte]

Please, don't ever become a stranger  
Whose laugh I could recognize anywhere

Please, don't ever become a stranger  
Whose laugh I could recognize anywhere

Hold on to the memories  
They will hold on to you

Hold on to the memories  
They will hold on to you

Hold on to the memories  
They will hold on to you

And I will hold on to you

[Refrão]

Long live the walls we crashed through  
How the kingdom lights shined just for  
Me and you

I was screaming, "long live all the  
Magic we made"

And bring on all the pretenders

One day we will be remembered

[Final]

The only thing that's left  
Is the manuscript  
One last souvenir from my trip  
To your shores  
Now and then  
I reread the manuscript  
But the story isn't mine
