

Taylor Swift - Long Live / Lover

tom:

G

Intro: G C Em D C

[Tab - Intro]

[Primeira Parte]

I say remember this moment In the
Back of my mind
The time we stood with our shaking
Hands
The crowds in stands went wild
We were the kings and the queens
And they read off our names
The night you danced like you knew our
Lives
Would never be the same
We can leave the Christmas lights
Up till January
This is our place, we make the
Rules
And there's a dazzling haze
A mysterious way about you, dear
Have I known you twenty seconds or
Twenty years?
Long live the walls we crashed through
All the kingdom lights shined just
For me and you
I was screaming, "long live all the
Magic we made"
And bring on all the pretenders
One day we will be remembered
Lover
Can I go where you go?
Can we always be this close forever
And ever and ah

Take me out and take me home
You're my, my, my, my, lover

Ladies and gentlemen
Will you please stand?
With every guitar string scar on my

Hand
I take this magnetic force of a man
To be my lover
Hold on to spinning around
Confetti falls to the ground
May these memories break our fall

And you take a moment
Promise me this
That you'll stand by me forever
But if God forbid fate should step in
And force us into a goodbye
If you have children someday
When they point to the pictures
Please tell them my name

Tell them how the crowds went wild
Tell them how I hope they shine

Can I go where you go?
Can we always be this close forever
And ever and ah
Take me out and take me home
You're my, my, my, my

Long live the walls we crashed through
All the kingdom lights shined just
For me and you
I was screaming, "long live all the
Magic we made"
And bring on all the pretenders
One day we will be remembered
Lover
