Up till January G This is our place, we make the
C Rules
G And there's a dazzling haze
D C A mysterious way about you, dear
G D Have I known you twenty seconds or
C Twenty years?
<pre>G Long live the walls we crashed through</pre>
Em All the kingdom lights shined just
D For me and you
G I was screaming, "long live all the
C Magic we made"
Em And bring on all the pretenders
C One day we will be remembered
C Lover
G D C Can I go where you go?
G D C Can we always be this close forever
G And ever and ah
Acordes

```
Take me out and take me home
G D Em D C
You're my, my, my, my, lover
Ladies and gentlemen
Will you please stand?
With every guitar string scar on my
Hand
I take this magnetic force of a man
      Am D
 To be my lover
Hold on to spinning around
Confetti falls to the ground
May these memories break our fall
And you take a moment
Promise me this
That you'll stand by me forever
But if God forbid fate should step in
And force us into a goodbye
If you have children someday
When they point to the pictures
Please tell them my name
Tell them how the crowds went wild
Tell them how I hope they shine
Can I go where you go?
Can we always be this close forever
             G
And ever and ah
      D
Take me out and take me home
      G D Em D C
You're my, my, my, my
Long live the walls we crashed through
All the kingdom lights shined just
       D
For me and you
I was screaming, "long live all the
Magic we made"
And bring on all the pretenders
One day we will be remembered
 Lover
