

Taylor Swift - Long Live / New Year's Day (Medley)

Tom: G

Intro: G C Em D C

[Verso 1]

I say remember this moment In the back of my mind
 The time we stood with our shaking hands
 The crowds in stands went wild
 We were the kings and the queens
 And they read off our names
 The night you danced like you knew our lives
 Would never be the same
 You held your head like a hero On a history book page
 It was the end of a decade But the start of an age

[Refrão]

Long live the walls we crashed through
 All the kingdom lights shined just for me and you
 I was screaming, "long live all the magic we made"
 And bring on all the pretenders I'm not afraid

Long live all the mountains we moved
 I had the time of my life
 Fighting dragons with you
 long live the look on your face
 And bring on all the pretenders
 One day we will be remembered

(G C Em D C)

Hold on to spinning around
 Confetti falls to the ground
 May these memories break our fall

Hold on to spinning around
 Confetti falls to the ground

(C Am F)

There's glitter on the floor after the party
 Girls carrying their shoes down in the lobby
 Candle wax and Polaroids on the hardwood floor
 You and me from the night before, but

Don't read the last page
 But I stay when you're lost, and I'm scared
 And you're turning away

I want your midnights

But I'll be cleaning up bottles with you on New Year's Day
 (C Am F)

You squeeze my hand three times in the back of the taxi
 I can tell that it's gonna be a long road
 I'll be there if you're the toast of the town, babe
 Or if you strike out and you're crawling home

Don't read the last page
 But I stay when it's hard, or it's wrong

Or we're making mistakes

I want your midnights
 But I'll be cleaning up bottles with you on New Year's Day

Hold on to the memories, they will hold on to you
 Hold on to the memories, they will hold on to you
 Hold on to the memories, they will hold on to you
 And I will hold on to you

Please don't ever become a stranger
 Whose laugh I could recognize anywhere

Please don't ever become a stranger
 Whose laugh I could recognize anywhere

There's glitter on the floor after the party
 Girls carrying their shoes down in the lobby
 Candle wax and Polaroids on the hardwood floor

You and me forevermore

Don't read the last page
 But I stay when you're lost, and I'm scared

And you're turning away

I want your midnights
 But I'll be cleaning up bottles with you on New Year's Day

Hold on to the memories, they will hold on to you
 Hold on to the memories, they will hold on to you
 Hold on to the memories, they will hold on to you
 And I will hold on to you
