

# Taylor Swift - Marjorie

tom:

**Dm**

**Dm** **Bb** **F** **C**

Never be so kind, you forget to be clever

**Dm** **Bb** **F** **C**

Never be so clever, you forget to be kind

**F** **Bb**

And if I didn't know better

**F** **C**

I'd think you were talking to me now

**F** **Bb**

If I didn't know better

**F** **C**

I'd think you were still around

**Dm** **Bb**

What died didn't stay dead

**F**

What died didn't stay dead

**C**

You're alive, you're alive in my head

**Dm** **Bb**

What died didn't stay dead

**F**

What died didn't stay dead

**C**

You're alive, so alive

**Gm** **Bb** **F** **C**

Never be so polite, you forget your power

**Gm** **Bb** **F** **C**

Never wield such power, you forget to be polite

**F** **Bb**

And if I didn't know better

**F** **C**

I'd think you were listening to me now

**F** **Bb**

If I didn't know better

**F** **C**

I'd think you were still around

**Gm** **Bb**

What died didn't stay dead

**F**

What died didn't stay dead

**C**

You're alive, you're alive in my head

**Gm** **Bb**

What died didn't stay dead

**F**

What died didn't stay dead

**C**

You're alive, so alive

**Dm**

The autumn chill that wakes me up

**Bb**

You loved the amber skies so much

**F**

Long limbs and frozen swims

**C**

You'd always go past where our feet could touch

**Dm**

And I complained the whole way there

**Bb**

The car ride back and up the stairs

**F** **Bb**

Asked you to write it down for me

**F**

Should've kept every grocery store receipt

**C**

'Cause every scrap of you would be taken from me

**Gm** **Bb**

Watched as you signed your name Marjorie

**F**

All your closets of backlogged dreams

**C**

And how you left them all to me

**Gm** **Bb**

What died didn't stay dead

**F**

What died didn't stay dead

**C**

You're alive, you're alive in my head

**Gm** **Bb**

What died didn't stay dead

**F**

What died didn't stay dead

**C**

You're alive, so alive

**Gm** **Bb**

And if I didn't know better

**F** **C**

I'd think you were singing to me now

**F** **Bb**

If I didn't know better

**F** **C**

I'd think you were still around

**F** **Bb**

I know better

**F** **C**

But I still feel you all around

**F** **Bb**

I know better

**F** **C**

But you're still around

( **F** **Bb** **F** **C** )
