

# Taylor Swift - Mastermind

tom:

Intro: **E** **G**

**E** **E**  
Once upon a time, the planets and the fates  
And all the stars aligned **E**  
You and I ended up in the same room **E**  
At the same time

**E** **E**  
And the touch of a hand lit the fuse **E**  
Of a chain reaction of countermoves **E**  
To assess the equation of you **E**  
Checkmate, I couldn't lose

**Dbm7** **A2**  
What if I told you none of it was accidental?  
And the first night that you saw me **B**  
Nothing was gonna stop me **E** **B**  
**Dbm7** **A2**  
I laid the groundwork and then, just like clockwork **B**  
The dominoes cascading in the line **E**  
What if I told you I'm the mastermind? **A2**  
And now you're mine **Dbm7**  
It was all by design **B** **A2**  
'Cause I'm a mastermind **E**

**E** **E**  
You see, all the wisest women had to do it this way **E**  
'Cause we were born to be the pawn of every lover's game **E**

**E** **E**  
If you fail to plan, you plan to fail **E**  
Strategy sets the scene for the tale **E**  
I'm the wind and I'm free, flowing sails **E**

In the liquor of our cocktails **Dbm7** **A2**  
What if I told you none of it was accidental?  
And the first night that you saw me **B**  
I knew I wanted your body? **E** **B**  
**Dbm7** **A2**  
I laid the groundwork and then, just like clockwork **B**  
The dominoes cascading in the line **E**  
What if I told you I'm the mastermind? **A2**  
And now you're mine **Dbm7**  
It was all my design **B** **A2**  
'Cause I'm a mastermind **E**

No one wanted to play with me as a little kid **E**  
So I've been scheming like a criminal ever since **A**  
To make them love me and make it seem effortless **A**  
Is this the first time I feel the need to confess? **Abm** **A2**  
And I swear, I'm only cryptic and Machiavellian **Dbm7**  
'Cause I care **E**

**A2**  
So I told you none of it was accidental **B**  
And the first night that you saw me **E** **B**  
Nothing was gonna stop me **Dbm7** **A2**  
I laid the groundwork and then, saw a wild smirk **B**  
On your face, you knew the entire time **E**  
You knew that I'm a mastermind **A2**  
And now you're mine **Dbm7**  
Yeah, all you did was smile **B** **A2**  
'Cause I'm a mastermind **E**

[Final] **E**
