

Taylor Swift - Mastermind

Intro: **E** **G** tom:

E Once upon a time, the planets and the fates
E And all the stars aligned
E You and I ended up in the same room
 At the same time

E And the touch of a hand lit the fuse
E Of a chain reaction of countermoves
E To assess the equation of you

Checkmate, I couldn't lose

Dbm **A2**
 What if I told you none of it was accidental?

B
 And the first night that you saw me

E **B**
 Nothing was gonna stop me

Dbm **A2**
 I laid the groundwork and then, just like clockwork

B
 The dominoes cascading in the line

E
 What if I told you I'm the mastermind?

A2
 And now you're mine

Dbm
 It was all by design

B **A2**
 'Cause I'm a mastermind

E **E**
 You see, all the wisest women had to do it this way

E **E**
 'Cause we were born to be the pawn of every lover's game

E **E**
 If you fail to plan, you plan to fail

E
 Strategy sets the scene for the tale

E
 I'm the wind and I'm free, flowing sails

In the liquor of our cocktails

Dbm **A2**
 What if I told you none of it was accidental?

B
 And the first night that you saw me

E **B**
 I knew I wanted your body?

Dbm **A2**
 I laid the groundwork and then, just like clockwork

B
 The dominoes cascading in the line

E
 What if I told you I'm the mastermind?

A2
 And now you're mine

Dbm
 It was all my design

B **A2**
 'Cause I'm a mastermind

E
 No one wanted to play with me as a little kid

So I've been scheming like a criminal ever since

A
 To make them love me and make it seem effortless

Is this the first time I feel the need to confess?

Abm **A2**
 And I swear, I'm only cryptic and Machiavellian

Dbm
 'Cause I care

A2
 So I told you none of it was accidental

B
 And the first night that you saw me

E **B**
 Nothing was gonna stop me

Dbm **A2**
 I laid the groundwork and then, saw a wild smirk

B
 On your face, you knew the entire time

E
 You knew that I'm a mastermind

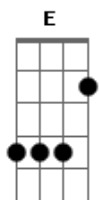

A2
 And now you're mine

Dbm
 Yeah, all you did was smile

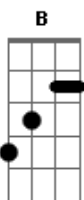

B **A2**
 'Cause I'm a mastermind

[Final] **E**
