Rain

He wanted it comfortable, I wanted that pain C

He wanted a bride, I was making my own name G

Chasing that fame, he stayed the same Am

All of me changed like midnight F

(C G Am)

F

My town was a wasteland

C

Full of cages, full of fences G

Pageant queens and big pretenders Am

But for some, it was paradise F

My boy was a montage C

A slow-motion, love potion G

Jumping off things in the ocean Am

I broke his heart 'cause he was nice

He was sunshine, I was midnight

Rain

He wanted it comfortable, I wanted that pain C

He wanted a bride, I was making my own name G

Chasing that fame, he stayed the same Am

All of me changed like midnight

F

It came like a postcard

C

Picture perfect shiny family

Holiday peppermint candy

G Am

But for him, it's every day

F

So I peered through a window

C

A deep portal, time travel

G

All the love we unravel

Am

And the life I gave away

F

'Cause he was sunshine, I was midnight rain

C

He wanted it comfortable, I wanted that pain

G

He wanted a bride, I was making my own name

Am

Chasing that fame, he stayed the same

All of me changed like midnight

F

I guess sometimes we all get

C

Just what we wanted, just what we wanted

G

And he never thinks of me

Am

Except for when I'm on TV

F

I guess sometimes we all get

C

Some kind of haunted, some kind of haunted

G

And I never think of him

Except on midnights like this
