C G D
You were in college working part-time, waiting tables
C G D
Left a small town, never looked back
C G D
I was a flight risk, with a fear of falling
C G D
Wondering why we'd bother with love, if it never lasts

C G D
I say can you believe it
C G D
As we're lying on the couch
C G D
The moment I can see it yes, yes
C G D
I can see it now

C G
Do you remember when we were sitting there by the water
D Em D
You put your arm around me for the first time
C G
You made a rebel of a careless man's careful daughter
D Em D C
You are the best thing that's ever been mine

C G D
Flash forward and we're taking on the world together
C G D
And there's a drawer of my things at your place
C G D
You learn my secrets and you figure out why I'm guarded
C G D
You say we'll never make my parent's mistakes

C G D
We got bills to pay
C G D
We got nothing figured out
C G D
When it was hard to take yes, yes
C G D
This is what I thought about

C G
Do you remember when we were sitting there by the water
D Em D
You put your arm around me for the first time

C G
You made a rebel of a careless man's careful daughter
D Em D
You are the best thing that's ever been mine
C G
Do you remember all the city lights on the water
D Em D
You saw I started to believe for the first time
C G
You made a rebel of a careless man's careful daughter
D Em D C G D
You are the best thing that's ever been mine
