```
tom:
Intro: D G
[Refrão]
         G
 I want you to know
      Bm Bm7
I'm a mirrorball
I'll show you every version of yourself tonight
I'll get you out on the floor
           Bm
Shimmering beautiful
And when I break, it's in a million pieces
[Primeira Parte]
 Hush, when no one is around, my dear
                     Bm
You'll find me on my tallest tip-toes
               G
Spinning in my highest heels, love
Shining just for you
 Hush, I know they said the end is near
                    Bm
But I'm still on my tallest tip-toes
               G
Spinning in my highest heels, love
Shining just for you
[Refrão]
  I want you to know
      Bm Bm7
I'm a mirrorball
I can change everything about me to fit in
 You are not like the regulars
```

## **Acordes**

```
The masquerade revelers
Drunk as they watch my shattered edges glisten
[Primeira Parte]
  Hush, when no one is around, my dear
                     Bm
You'll find me on my tallest tip-toes
                G
Spinning in my highest heels, love
Shining just for you
  Hush, I know they said the end is near
                    Bm
But I'm still on my tallest tip-toes
               G
Spinning in my highest heels, love
Shining just for you
[Segunda Parte]
  And they called off the circus, burned the disco down
      When they sent home the horses and the rodeo clowns
   I'm still on that tightrope
I'm still trying everything to get you laughing at me
 I'm still a believer, but I don't know why
     I've never been a natural, all I do is try, try, try
                  Bm7
I'm still on that trapeze
I'm still trying everything to keep you looking at me
               G
  Because I'm a mirrorball
      Bm Bm7
I'm a mirrorball
And I'll show you every version of yourself tonight
